

Reports

Overview

The **Reports** section brings the most important operational data and user activities in one place. Whether you want to find out more details about your transactions and device management or generate reports, we provide an integrated service on Verifone Central.

How to access reports in Verifone Central

1. Log in to your [Verifone Central](#) account.
2. Navigate to the **Commerce** tab.
3. Under the *Reporting* section, click on what type of report you want to access from the following:
 - [Payments Dashboard](#)
 - [Orders / Transactions](#)
 - [3D Secure Authentications](#)
 - [Settlements](#)
 - [Report Scheduler](#)
 - [Generated Reports](#)
 - [Audit Log](#)

The screenshot shows the Verifone Central interface. At the top, there is a navigation bar with the Verifone logo and three tabs: **Commerce**, **Devices**, and **Administration**. The **Commerce** tab is active. Below the navigation bar, the **Commerce** section is displayed. On the left, there is a description of the Commerce section. In the center, there is a red-bordered box containing a list of reporting options. On the right, there are three columns of links for Payment Derivations, Payment Tools, and Payout.

Reporting	Payment Derivations	Payment Tools
